

THE Q-LIST

It's not a wine of the month club. We don't ask for your blood type or first born, and there's no long-term commitment. Many of our lots are less than 100 cases, with a select few at 25 cases. Allocations of these super small lot reserve wines will be made available to Q-List members first before selling any remainder to the public at large.

"Sounds wicked cool! What do I have to do?" you might ask... at the time of purchase, ask to join the Q-List. The initial purchase must be a minimum of six bottles, with another eighteen to be purchased within the calendar year at your leisure. The only catch? In order to remain on the Q-List members must purchase at least two cases (twenty-four bottles) annually.

Q-List Benefits:

- 20% off all wine purchases, excepting library wines
- Free shipping on 12 bottles or more (where applicable)
- First dibs on small lots and reserves
- Cool gifts throughout the year
- Invitations to the "Dinner with Herb" series
- Personal tastings given to you and your friends (limit to 6 at any given time) by Herb. **By request only, and date/time must be mutually agreed upon.

Q-List Requirements:

- 2 case annual purchase
- Actually, that's it. Nothing else, really.
